

11. What are each of our hard limits (i.e. a definite no) and our soft limits (i.e. maybe, let's check-in later)?
12. What pre-existing power dynamics are present, if any?
13. Are we sober and alert, or should we make our play safer?
14. What are our safer sex practices (if relevant)?
15. Will our play be consistent with any existing relationship agreements we have with others?
16. Why is this scene interesting to each of us? What kind of experiences are we hoping to have? Who is it for?
17. Is this activity likely to be triggering for anyone?
18. What might we need to do to care for each other after?
19. Are we happy to proceed?
